Twist Named For Catoosa's "Man Of The Year" Award

WATIE TWIST

The Catoosa Chamber of Commerce last week named Watie Twist, long-time Catoosa Educator, as its Man of the Year, at its Installation Banquet. Twist has served the school system there since 1946, and has been active in many other civic areas as well.

At the evening affair on January 21, at Rolling Hills Country Club, the Chamber of Commerce group and guests heard Tulsa Chamber of Commerce Executive vice-president Clyde Cole speak, in a last minute change from the slated speaker, Tulsa Chamber of Commerce President Ed Daley. Cole, who is a specialist in the development of Chambers of Commerce in new or rapidly-developing areas, has been in Chamber work since 1955. His record in the field includes such positions as Manager of the Industrial Development department in Columbia, South Carolina, and

as Chamber of Commerce Manager of Guymon and Enid, Oklahoma, and South Bend, Indiana. He is presently serving as director of the American Chamber of Commerce and is a board member of the Southern Association of Chamber of Commerce Directors. Cole has served with the Tulsa Chamber of Commerce for two years.

The Catoosa Chamber experience a record attendance of 177. The young chamber organization, which celebrated its tenth anniversary at the banquet, has experienced steady growth since its formation and this year boasts another record, that of a membership of 140.

In-coming president D.W. Correll, who will be serving his second term in that office, was presented with a special certificate during the ceremonies, by Cole, on behalf of the Tulsa Chamber of Commerce. The certificate makes Correll an honorary board member of the Tulsa Chamber of Commerce,* with power to serve and function with the Tulsa Board of Directors.

Catoosans are very proud to present the Man of the Year Award to Twist, who was unable to attend the ceremonies because of illness. His fine record of service to the community includes his tireless efforts to modernize and build the school system into one of the finest in the state of Oklahoma.

In addition to his devotion to his career with the Catoosa schools, Twist has been active in

many other areas of civic responsibility.

McAfee Heads Student Council

Student Council officers are elected by the student body in the spring for the coming school year. Students interested in running for these offices file an application prior to the general election.

The general body of the Student Council is comprised of students that are elected as representatives from each first hour class. These students then serve as representatives for their classmates and attend weekly meetings to conduct Student Council business.

Officers attended state conventions twice during the year. The Student Council sponsored spirit days, such as Top 'Em Day, Hawaiian Day, Sweat Day, Spook 'Em Day, and 50's Day. Other activities conducted by the Student Council included dances throughout the year, Sadie Hawkins Day, and Indians of the Month.

'Impact' Enters Second Year

Catoosa High School has had a competitive Winter Guard for the past two years. During those two years, "Impact" has been among the top units in the Oklahoma Color Guard Association. Members of the guard work for four months of the year learning a show and perfecting it for competition. Rehearsal schedules are time consuming and demanding. It takes a tremendous amount of hard work and dedication from members and instructors to put a quality show on the contest floor. The rewards of placing among the top guards in a regional and state contest make all the time and effort pay off at the end of the Winter Guard season.

The Winter Guard was instructed by Paul and Beth Salyers. Section leaders are: Dana Almond and Cindy Mills — flags, Linda Brewer — sabre, and Missy Binam — rifle.

Impact members are: **(outer circle)** Cindy Mills, Linda Brewer, Dana Almond, Kristine Hume, Randi Jones, Shelly Fields, Jackie Hoplight, Terri Flud, Donald Burr, Deena Holm, Dana Phillips, Leslie Wilson, Chris Saintz, Kim Theberge. **(inner circle)** Melody Self, Don Mills, Mike Ward, Missy Binam, Cindy Combs, Anita Meek, Jackie Holms.

Catoosa started a feeder unit this year which was made up of 22 8th graders. Horizon was instructed by members of Impact.

French Club

The primary purpose of French Club is to raise money and get ready for the European trip that takes place every other year. This year the club sold M & M's and candy bars, had a rock-a-thon, sold Christmas paper, and had a \$100 drawing.

This year's trip entailed spending 1 week traveling throughout France including visiting Paris, Versailles, the Riviera and the Alps. The second week the 23 students lived with Swiss families and attended school in Porrentruy, the hometown of Randy Dessarzin, our former AFS student.

AFS Has Active Year

One of the overall goals of the AFS International Program is to promote peace and understanding among all peoples through cultural exchanges. Our AFS Club participated in this goal by helping host our AFS students and by helping make these students feel at home. This year our students were Fernando Alonso from Spain, Sophie Desaubliaux from France, and Trond Reigstad from Norway.

Monthly activities were planned so the AFS students could experience some typical "Oklahoma" type events. Also this year, for the first time, the club participated in a short term exchange with John Marshall High School in Rochester, Minnesota. Thirty-eight club members spent a week in February experiencing the school and a Minnesota winter. In March, a group from Rochester came here for a week full of activities.

The year's final activity was a going-away party for the AFS students.

Indians of the Month

Choosing "Indians of the Month"

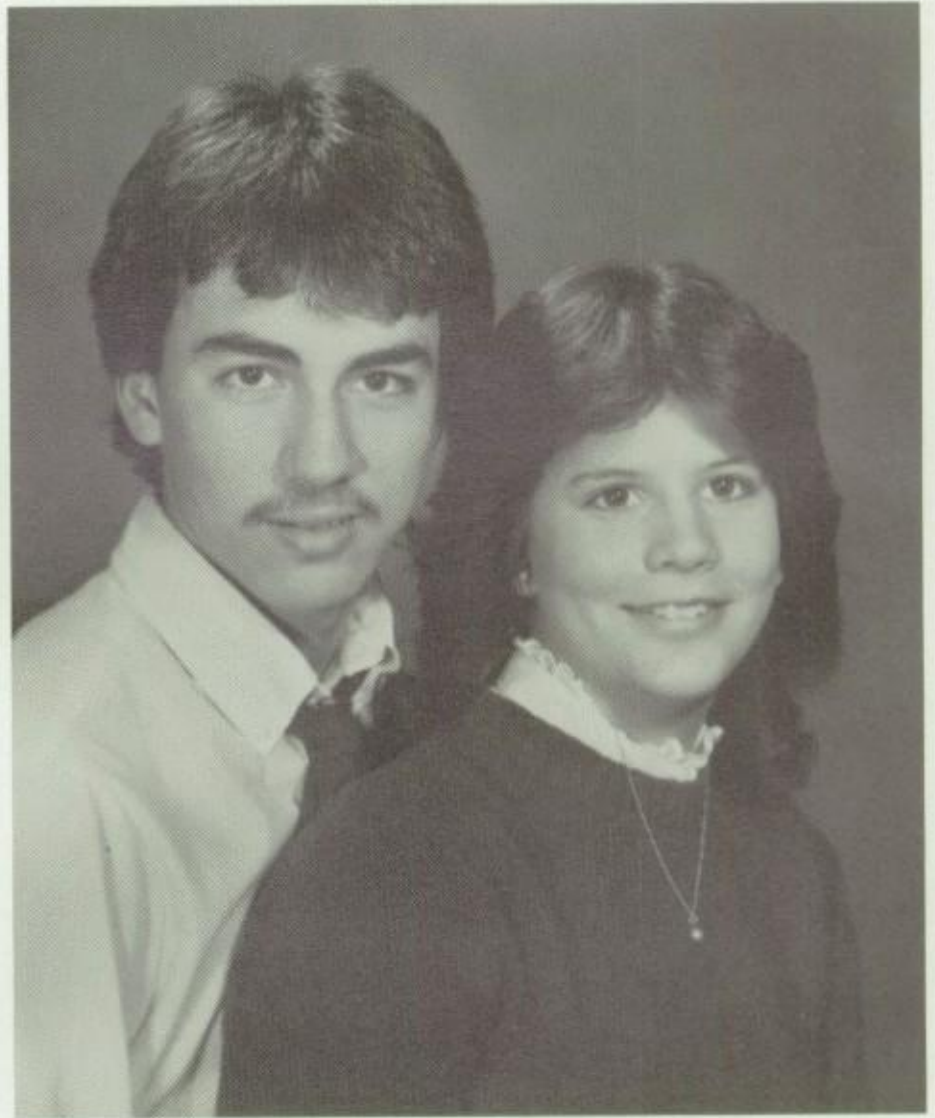

During a student council meeting, the members nominate students that, in their opinions, are worth of being chosen Indians of the month. After these students have been nominated, they are written down on a ballot. These ballots are distributed throughout the teachers. The teachers then rate these students in citizenship, scholarship, leadership, and school spirit on a scale from 1-5 (1 being lowest, 5 being highest). The ballots are collected and tallied by Mr. Bowlin, the student council sponsor. Not all of the teachers know all of the students, so after the votes are tallied, the score is divided by the number of teachers that rated them. The boy and girl with the highest average will be chosen "Indians of the Month."

Student Council sponsor Chuck Bowlin and Student Council president Teresa McAfee tabulate the votes for Indians of the Month.

In Memory of Sandra Snow

I wish that I could tell you
How much I really care.
I wish I could express to you
Feelings that were there.

I never really told you
What you meant to me;
But then I never knew just how
The end of it would be.

A million things I think of now
That I could say to you.
I wish we could go do the things
We "had no time" to do.

We said that we'd do this and that
Soon as we found the time;
But it was shorter than we knew
The time of yours and mine.

I know that you are happy
Though all of us are blue.
I really loved you, Sandra.
I hope to God you knew!
